“To build the nation through competitive advantage & management excellence to insist the quality and consistent research in global scenario to serve the human life.”

Our Value

Integrity, Transparency, Innovation and Advancement

Our Goals

To achieve academic excellence,
To inculcate multicultural harmony,
To induce social responsibility.

ZEAL

Director's Desk

Mr. S. M. Katkar

Dnyanganga Junior College affirms to impart quality education & thereby ascertain the emergence of students with perfection. We focus on helping students to attain moral, mental, physical and social maturity.

We make constant endeavor for an all round development of our students by imparting them value based education to make them ideal citizens of the nation.

We mould that our students' minds through creativity, enhance and inculcate moral values with the help of our curricular and co-curricular activities, which are needed in today's educational techno-savvy environment. "Unity in Diversity" a thought which has been cherished through ages is really experienced and observed in our college. As being an experienced set up, we have students coming in from different schools. Still, we believe in unity which we practice at our college in every aspect, be it academics, intellectual or cultural interchange which really symbolizes our nation's culture and our national heritage. We believe that our students are and will be an asset for the nation.

ZEAL

Secretary's Desk

Mr. J. S. Katkar

Education is the most powerful weapon which you can use to change the world.

-Nelson Mandela.

With this thought in mind, we focus on excellence in education at Dnyanganga Junior College to change the world.

Along with academics, we focus on giving enriching and life-turning experiences to our students. We foster sharpening of skills and enhancement of knowledge in our students through various extra-curricular, co-curricular and curricular activities.

We at Dnyanganga Junior College upgrade ourselves with latest teaching tools like Digital Classrooms and well equipped labs for practical experiences. We make our students ready to face the challenges of modern era by developing their personalities and practicing meditation for sound minds.

So you all are welcome to the passionate, compassionate learning culture and to a warm academic community.

ZEAL

Principal
Dnyanganga Junior College
Mrs. Anuradha Nikam

It is said that, 'Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations'. Here at Dnyanganga Junior College we commit academic excellence along with holistic development of our students.

In this modern era of technology we use Digital Classrooms and well equipped labs for propounding practical, life like learning experiences. We motivate and empower our students to be lifelong learners, productive members of an ever changing global society.

Our institution provides a platform to the future artists, orators, Academic Excellencies and programmers. We also have counseling sessions which are helpful to the students to gain greater insight into their lives. We provide an atmosphere to our students for multifaceted development where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in holistic, learner centric environment. We are grooming them for the competitive future.

So usher in and get the platform to think, express, exhibit your skills and become self-reliant.

Foundation of Zeal Education Society

Mr. S. M. Katkar, a law graduate turned an educationist, is the Founder Director of Zeal Education Society, which is formed in 1996.

The future world is full of challenges and risks. We aim at preparing the students to face these challenges and take risks.

1. We strive to enrich the knowledge and enhance the facilities to help the zealous students and to structure a key of the glorious future.
2. We are committed to develop the students as a resource within and outside the organization.
3. Our focus is holistic approach and through a wide range on character building through a rounded range of curricular, co-curricular and extra-curricular activities.
4. We strive to facilitate harmonious symphony of excellence in teaching with a well rounded motivational approach.
5. "Zeal Education Society" is synonymous with academics, intellectual discipline, and sustained efforts to maximize learning.

About Us

The foundation of Junior College having Science and Commerce streams is laid in 2001. We at Dnyanganga Junior College are committed to offer our students Indian ethos through the 3 R's of Research, Rationalize and Reflect. The acquisition spectrum is designed to help each student to reach his/her full potential by providing a wide spectrum of education, encouraging community spirit and a sense of responsibility. Our junior college aims at helping the child to develop every facet of his/her personality, physical, intellectual, emotional and spiritual. Our efforts are directed at preparing the students to be disciplined, fearless, curious and well-informed human beings in a rapidly changing world. The students at Dnyanganga Junior College, at the end of their educational journey will emerge as both inquirers & thinkers, qualities of a global citizen.

To strive, to seek, to find and yield-this inspiring phrase will help us forge ahead towards perfection.

As a result, we create a community of lifelong learners through integrating student based learning, curriculum-based learning and life experience. In a span of 7 years, we have created a unique synergy between academics and co-curricular activities and bonding between students and parents and soared to greater heights.

Attendance: Students must attend the college regularly. 75% attendance is required to be eligible for annual examination. Students must attend the lectures, practicals and the class tests.

Laboratories

“Without laboratories men of science are soldiers without arms”

In this backdrop, Dnyanganga Jr. College has ensured that its laboratories are well equipped, conform to safety regulations and dutifully give every student a chance to take part in experimental learning.

1. Physics Lab

Physics is about questioning, studying and probing nature. It enables students to defend their conclusions and predictions rationally.

Our Physics lab aids a student in establishing the relevance of the theory and helps in improvising students' approach towards the subject.

2. Chemistry Lab

Chemistry is necessarily an experimental science. Its calculations are drawn from data and its principles are supported by evidence of facts. This lab helps to understand and observe the chemical properties and reactions.

3. Biology Lab

Our Bio lab helps in creating a learning environment that encourages students to question, thereby fostering critical thinking.

4. Science Club

Science club will create interest and make the students active in the subject. It will foster imagination and creativity among the students.

- To promote inquisitiveness among the students.
- To encourage and equip the students in applications of science and its interface with Society.

5. Department of Information Technology

We are changing the world with technology. Our well equipped I.T. lab offers an intensive computer initiation and training.

6. Digital Classroom

Our students are part of a new generation – a generation that is constantly connected and surrounded with technology. The Digital Classroom has online educational apps to spark creativity and critical thinking among the students.

7. Commerce club

Commerce club will enhance student's interest in learning and it will give them a chance to question how or why things work towards solutions.

- To focus on practical training.
- To interact with others and to showcase their talents.

8. Literary Club

Literature is one of the most interesting and significant expressions of humanity

In our college, we also have a literary club to enhance linguistic abilities.

- To inculcate among students love for language
- To enhance their literary skills.
- To imbibe sense of confidence.

9. Library

We have a big library that helps to meet the needs of individual and groups for education, information and personal development including recreation and leisure.

Admission Procedure:

- Students are granted admission based on rules and regulations of the Government of Maharashtra.
- For Curriculum and the admission procedure, the decision of Deputy Director of Education along with the HSC Board will be determined and amended from time to time.
- Fees as notified in Government Admission Guidance website.
- Admission will be finalized only after all the necessary documents are submitted. For students of Boards other than Maharashtra State Board, Eligibility is granted by Maharashtra State Board)
- If a candidate knowingly provides false information, his/ her admission if granted, will be cancelled.

EXPLORICA

Zeal Education Society's Dnyanganga Junior College organizes an inter collegiate Commerce and Science Fest. The aim of the event is to create an analytical and applied approach towards the study of commerce and various science faculties and to give an outlet to creativity and expression of the students.

ANNUAL GATHERING

Students of Commerce and Science streams showcase their skills, energy and enthusiasm through their performances at the Annual Day.

ANNUAL SPORTS DAY

Sports play an integral role in any college life. We conduct two days annual sports meet every year covering a variety of team and individual sports events.

Educational Excursion:

Educational Excursion are important for students to reinforce experiential and contextual learning.

Enrichment Activities :

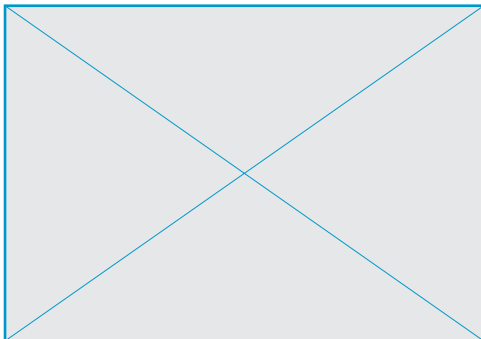

Extracurricular activities give the students an opportunity to exhibit their potentials other than academics.

Here in our college, we conduct various activities that boost the confidence of the students and spark their innate skill of responsibility innovation and creativity.

Our students enthusiastically participate in competitions like Debate, Elocution, Rangoli , Drawing , Greeting card Making and DJC has got talent competition.

Such activities really aim at exploring and encouraging creativity in students and give them a platform to show case their skills.

Nurturing Innovative Minds Is Our Goal...

BLOSSOMING THE DIVINE WITHIN YOU....

We encourage our students to practice meditation to go beyond the mind and experience peace, happiness and bliss.

Extra-curricular activities

Extra-curricular activities give the students an opportunity to exhibit their potentials other than academics. Here in our college, we conduct various activities like Debate, Elocution, Rangoli, Singing and dance competitions etc.

Laurels of Our Students

Our students shine brightly in academics as well as in extracurricular activities, and intercollegiate competitions. Hard work, dedication and discipline makes them a winner.
